

Imperial [IP] Dimensions  
Metric (SI) in Parentheses

CARNES COMPANY 448 S. Main St., P. O. Box 930040, Verona, WI 53593-0040 Phone: (608)845-6411 Fax: (608)845-6504 www.carnes.com

Model CXEA deflector will be received with tabs folded over. Unfold tab and insert deflector into hemmed portion of duct. Deflector must be sized so "B" is 4" (102) shorter than length of manufactured sections of Channelaire.

*Example:* 72" (1829) manufactured length would require 68" (1727) of grid.

DIMENSIONS LISTED IN INCHES (Millimeters)			
No. of Slots	A	A	A
