Panel Option 12

Used on 12" x 12" units to fit 12" x 24" T-bar

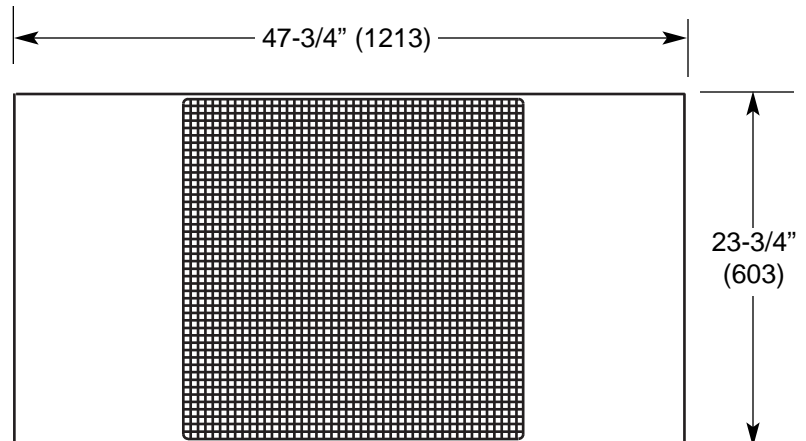

Note:

1. These options are used only when the nominal face size is smaller than the nominal grid size.
2. Unit height is unchanged from standard when this option is used.
3. Panel construction will be the same as the frame material of the base unit.

Panel Option 22

Used on 12" x 12" units to fit 24" x 24" T-bar

Panel Option 24

Used on 12" x 12" units to fit 24" x 48" T-bar

Used on 24" x 24" units to fit 24" x 48" T-bar
